

GIVE PEACE ANOTHER CHANCE

40th ANNIVERSARY JOHN & YOKO BED-IN FOR PEACE

SUNDAY, AUGUST 16, 1-5 PM, CENTRAL PARK, CHERRY HILL FOUNTAIN

(Near Strawberry Fields, Subway C, 72nd Street Station)

1969 • Montreal

Celebrate John & Yoko's famous 1969 Bed-In this Sunday in Central Park — and learn what the World March for Peace and Nonviolence is doing to achieve a world without violence, wars and nuclear weapons.

Share your thoughts on peacemaking and get your photo taken in our special "Peace Bed" with someone you love; we'll post your photo afterward on our Web site (www.worldmarchusa.net) and use it in a special promotional World March video. Enjoy face painting, sign painting and peace poetry readings. Sing-along with Earthdriver at 3 pm as the band records "We Want Peace on Earth" live from the event—and make this your own summer of love.
